Bir Yudum Umut

The image features a minimalist illustration of tree branches and leaves. A thick, greyish-brown branch curves from the top left towards the center. Several thinner, darker branches extend from it and across the top of the frame. Small, vibrant green leaves are scattered along these branches, some appearing as simple shapes and others with more detailed vein patterns. The background is a solid, clean white, which makes the branches and leaves stand out. In the center of the image, there is a block of text in a simple, black, sans-serif font.

Meyve ağaçlarıyla dolu kocaman bir bahçesi var  
dedemin. Elma, armut, incir, dut, limon,  
mandalina... Ne ararsan var.

Yaz kış nefis kokuların yayıldığı  
meyve bahçesinde dolaşmayı çok severim.
